*Harvard Live: Leading  
Yourself in Crisis  
with Nancy Koehn*

JAMES E. ROBISON PROFESSOR OF BUSINESS  
ADMINISTRATION

The Covid19 crisis and the resulting economic devastation are the defining events of our lifetimes. In the next of our ongoing series, Nancy Koehn asks how we can grow, lead, and learn in the crucible of this astounding moment. What lessons can we learn about leadership in times of widespread turbulence, and during this crisis? This session will explore how real leaders are made in crisis and specifically, what you can do to access this power within, so that you can lead courageously going forward.
